

**tripese**

# introducing **tripese**

**tripese.co.uk is an easy payment, promotion and demand website for the public transport industry:**

- ✓ It allows individual customers, groups and businesses to pay for travel
- ✓ It can be used for regular services, one-off trips, special event services and private hires
- ✓ It helps an operator promote and gauge demand for new services or trips
- ✓ Trip and event travel organisers can now accept credit/debit card payments 24/7 and issue instant electronic booking confirmations
- ✓ tripese is fully supported by public transport professionals

# **tripese** for Season Tickets

If you operate local bus services and want to offer modern ticketing options, tripese makes it so much easier!

- ✓ Customers can purchase all types of ticketing products 24/7 by credit/debit card
- ✓ All periods of travel could be available including weekly, monthly and annual
- ✓ Could be used for employer and discount ticketing schemes
- ✓ Tickets can be issued as smartcards or e-tickets sent to a mobile phone
- ✓ Fully supported customer services for renewals and replacements
- X Removes high value ticket retail off the bus and helps to deliver customer loyalty!

# **tripese** for School Services

**If you operate school services and collect payment, tripese makes it so much easier!**

- ✓ **Parents pay for school travel in advance through the payment portal**
- ✓ **All periods of travel could be available including weekly, monthly, academic terms/years and calendar years**
- ✓ **Payments are made securely by credit/debit cards or direct debit options available**
- ✓ **Tickets can be issued as smartcards or e-tickets sent to a mobile phone**
- ✓ **Fully supported customer services for renewals and replacements**
- X **No more revenue protection issues and fraud and no more lost bus fares!**

# **tripese** for Trips & Event Travel

**If you organise day trips, event travel or operate special services, tripese makes it so much easier!**

- ✓ **Promote your trip or special service on the tripese website, through our social media and your own communication channels**
- ✓ **Bookings are monitored as customers reserve their seats using a credit/debit card**
- ✓ **Operators receive regular sales updates and the price can be adjusted with demand**
- ✓ **Payments are taken securely ahead of the trip, when the operator chooses**
- ✓ **An e-ticket is sent to a mobile phone and final booking list to the operator**
- X **No more taking booking calls through the office or collecting cash on the day!**

# **tripese** is making it so much easier for operators and trip organisers!

**This is a simple payment, promotion & demand tool, all we ask is:**

- ✓ A sales commission is levied on all payments made through tripese
- ✓ The only other cost to the operator or trip organiser are payment processing charges for credit/debit cards or direct debit transactions – this is the actual cost to us!
- ✓ The customer pays an admin fee for the dispatch of any non electronic ticketing
- ✓ We also offer additional marketing and promotion services to boost your sales!
- X There is NO minimum commitment, NO upfront fees and NO hidden charges!
